Plattsmouth
High School

Plattsmouth,
Nebraska

NOW IS THE TIME . . . 1972

Time is always around us; wherever we go, whatever we do, time surrounds us. We cannot see time, nor can we touch it, but we know it is there. We are born into time, we live in time, and we will die in time.

Time may be defined as a period characterized by a prevailing condition. School is filled with many different times:

a time to begin

a time to study

a time to sleep

a time to play

a time to work

a time to cry

a time to laugh

a time to think

a time to challenge

a time to be shy

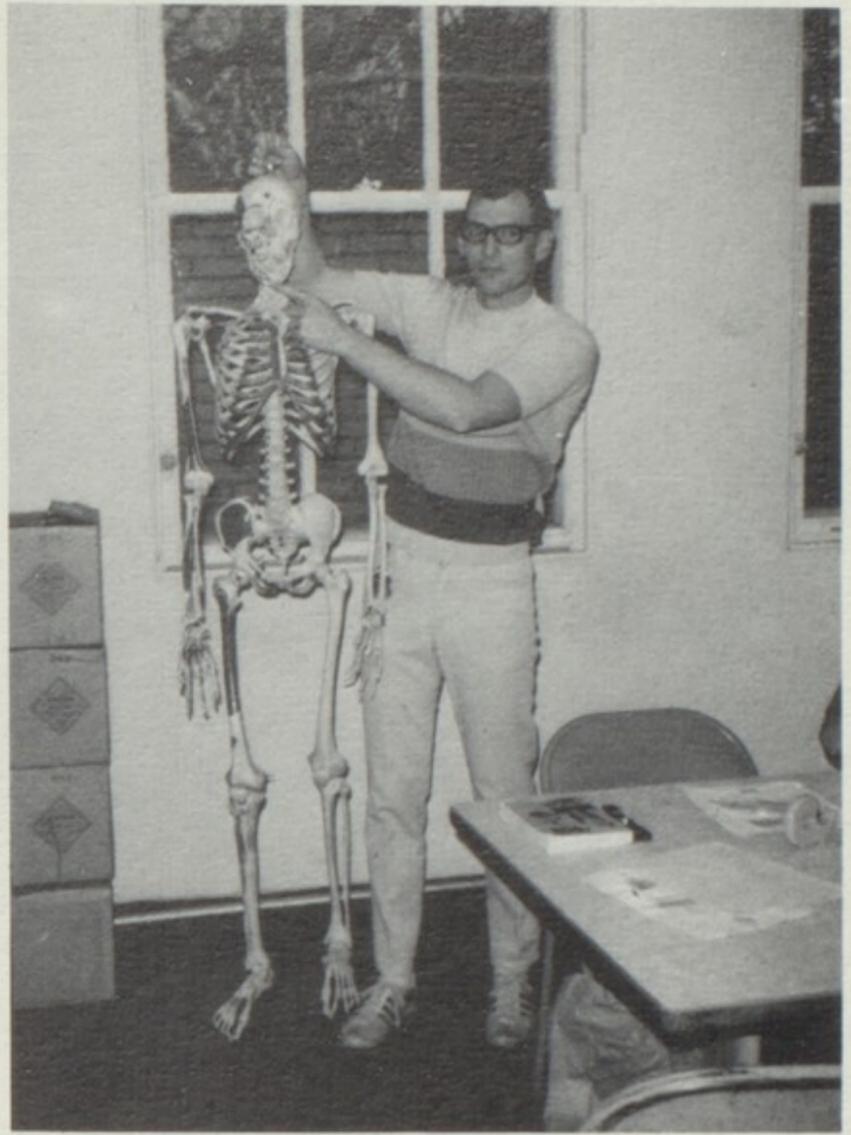

a time to change

a time to wonder

a time for fun

a time for friends

a time to just be me

Now is the time to turn back the pages of time and remember all the happy and sad experiences we had at Plattsmouth High School in the year of 1972.

Dedication

This year's 1972 Plattonian is dedicated to Mr. Jack Herweg, a man who came to PHS in 1963 and began to create musical history.

Mr. Herweg was born November 5 in Council Bluffs, Iowa. His occupational desire as a child was to follow in his father's footsteps and become a railroad engineer.

After graduating from high school he attended Parsons College in Iowa. While in college he worked with the railroad not as an engineer, but as a cook in the dining car.

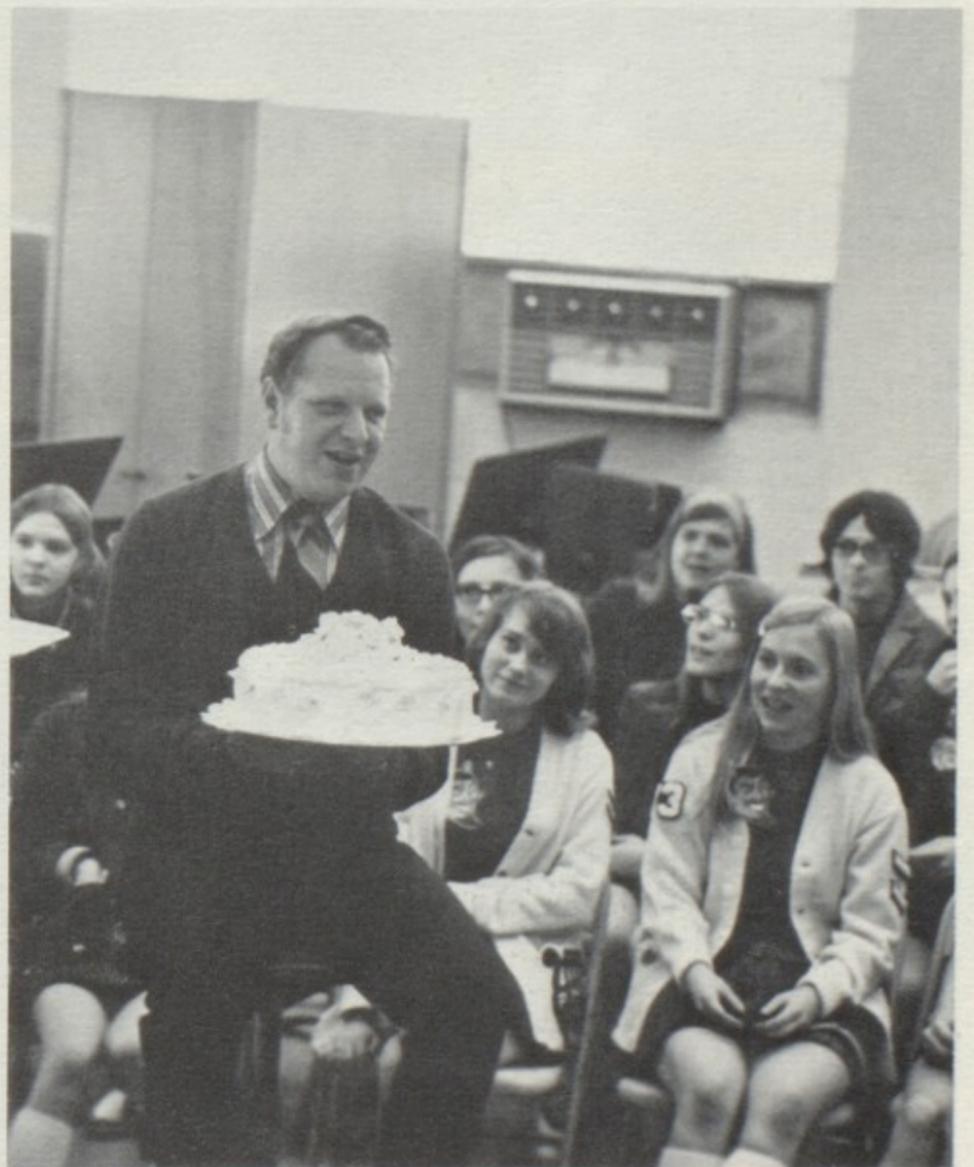

Mr. Herweg's family includes his wife, Pat; his son, Mark; and a daughter, Lisa.

An example of his devotion to PHS is shown by the many early band rehearsals he holds. Surprisingly enough he has held other unscheduled rehearsals in his sleep.

Through the years he has led his band to Winnipeg (Canada), Chicago, and the ASBDA Convention in Omaha, with occasional radio and television performances, and the cutting of a record.

His two most outstanding accomplishments are his eight consecutive Superiors at Pershing, and most recently the Rose Bowl Parade at Pasadena, California.

It is for this that the Plattonian Staff of 1972 proudly dedicates this annual to our favorite band director, Mr. Jack Herweg.

Mini-Courses

This year Plattsmouth had three weeks of Mini-Courses following Christmas vacation. The purpose of this program was to give students the opportunity to take courses not offered on the regular schedule. Both the students and the teachers gained many new experiences.

Among many of the popular courses were girls' auto repair, card games, bachelor cooking, photography, macrame, slymnastics, volley ball, and knitting.

If the Mini-Courses proved successful, you can probably expect to see them again next year.

Lanny Wulan Saerang was an ICYE student at Plattsouth High School during the 1971-72 school year. Lanny arrived in the U.S. from Menado, Indonesia, population 200,000, on August 28, 1971. She resided with the Vernon Waterman family.

Lanny is the daughter of Mr. and Mrs. Walter Saerang. Her father works as an architect for the Indonesian government. Lanny is 19 and the youngest of four children. She has two married brothers, Niko and Robbie, and a sister, Lily.

Lanny's classes at Plattsouth included shorthand, American history, office practice, English, typing, and Algebra II. She was active in Pep Club.

In Indonesia, Lanny went to school six days a week from 8 a.m. till noon. She is the leader of a group called "Operation all Generations." It is a popular group of girls that work for the betterment of their country. Her hobbies include hondas and speaking foreign languages. Lanny speaks Indonesian, Japanese, Chinese, English, German, Dutch, and a little Philippine.

Lanny said she enjoys school in the U.S. because the students go to the teachers. In Indonesia, the students stay in the same room and the teachers come to them.

After leaving the U.S., Lanny plans to return to Indonesia and become a secretary to an American businessman. Lanny wishes to return to Plattsouth in 1974, and live here for a while.

Everything Came Up Roses

This year the P.H.S. band traveled one of its greatest distances. They traveled over 4000 miles to the Tournament of Roses Parade in Pasadena, Calif.

The band parents put forth a lot of effort in money-making projects. To make money for the trip the band parents had a rummage sale, a drawing for two color televisions, and had the bandstand. Surrounding communities and local organizations and businessmen also made many donations, including a pancake feed and a watermelon feed.

The band members and sponsors traveled to California by United Airlines and stayed in a Holiday Inn in Anaheim. While in California, they toured Lion Country Safari, Marineland, Knotts Berry Farm, and Disneyland. While at Disneyland, the band marched in a parade through Disneyland. They also saw how the floats were made for the Rose Parade. One day the band participated in the "NBC Bandtime" sponsored by McDonald's which was seen on television on New Year's Day.

On January first the band marched in the seven mile parade and later went to watch the Nebraska and Alabama football game on TV.

With many memories behind them the tired members and sponsors returned home.

Also during the past year the band received superior ratings at Pershing and at the Plattsmouth contest.

The band members are thankful to Mr. Herweg, the band parents, and the entire community for the hard work they put forth to send our band to represent Cornhusker Land.

In 1971, an addition was made to the Plattsmouth Pep Club. It was the Devilettes, a precision marching team. Members include 16 regulars and 3 alternates. This year, due to the illness of Loraine Jensen, a varsity cheerleader, Vicki Peterson, a Drill Team member, was chosen to replace her. Robbie Snodgrass, in turn, became a member of the Drill Team. Mrs. Charles Caverzagie sponsors Drill Team.

This year we have not six but eight varsity cheerleaders. When there are wrestling and basketball on the same day, the Seniors cheer for basketball and the Juniors cheer for wrestling.

This year four varsity and four reserve cheerleaders participated in the Southroads Cheering Contest, finishing third and promoting spirit.

Homecoming - "Blue

The first-place prize went to the Drill Team.

For the first time in the history of the school, a Homecoming parade proceeded through Main Street. Participation by the school's organizations and onlookers gave spirit a tremendous boost.

The 28-22 victory over Falls City the following night opened the gates to "Blue Devil Heaven". Adding to the atmosphere was the rhythm of the Dave Kavitch Band.

Royalty candidates were: Gene Steppat, Tom Sharp, Mike Ford, Marty Macrander, Steve Aschenbrenner, Bill Kephart, Sheryl Cottingham, Sheri Hopkins, Kathy Baumgart, Barb Grove, Ginny Molinaro, and Debbie Snodgrass.

Homecoming '71 was highlighted by the crowning of Queen Ginny and King Marty. They proudly reigned over the kingdom, the successful result of much hard work and effort put forth by the Pep Club.

"Bells Are Ringing"

The vocal music department demonstrated its talent again this year by presenting "Bells Are Ringing." The play concerns Ella (Fran Kildare), who works at Susanswerphone, and Jeffery Moss (Mike Ford), an aspiring young playwright. Although Ella is cautioned by Sue (Candy Axt), the owner of the answering service, against getting involved with the subscribers, she meddles in the affairs of Blake Barton (Nate Griffith), a young actor, Dr. Kitchell (Pat Ford), a dentist who writes songs on the airhose, and Jeff, whom she falls in love with. Meanwhile, Sue has let Sandor (Tim Dunlap) use Susanswerphone for record orders, but the orders are coded messages for betting on horses.

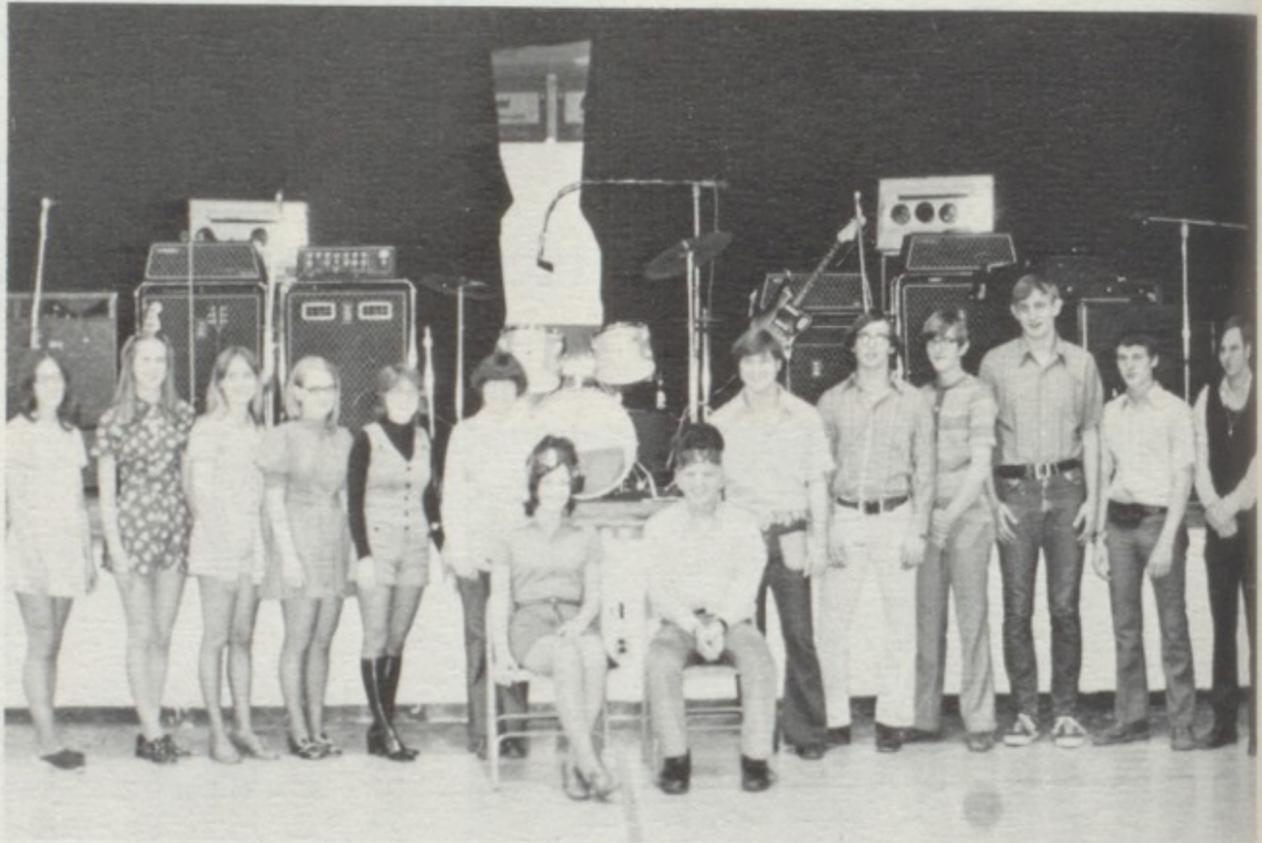

Throughout the entire play, Ella is followed by a confused detective, Inspector Barnes (Geoff Henning) and his assistant, Francis (Tom Sharp). The results were very humorous and enjoyed by audiences both nights. Thanks to Mr. Nelson and the chorus for an entertaining performance.

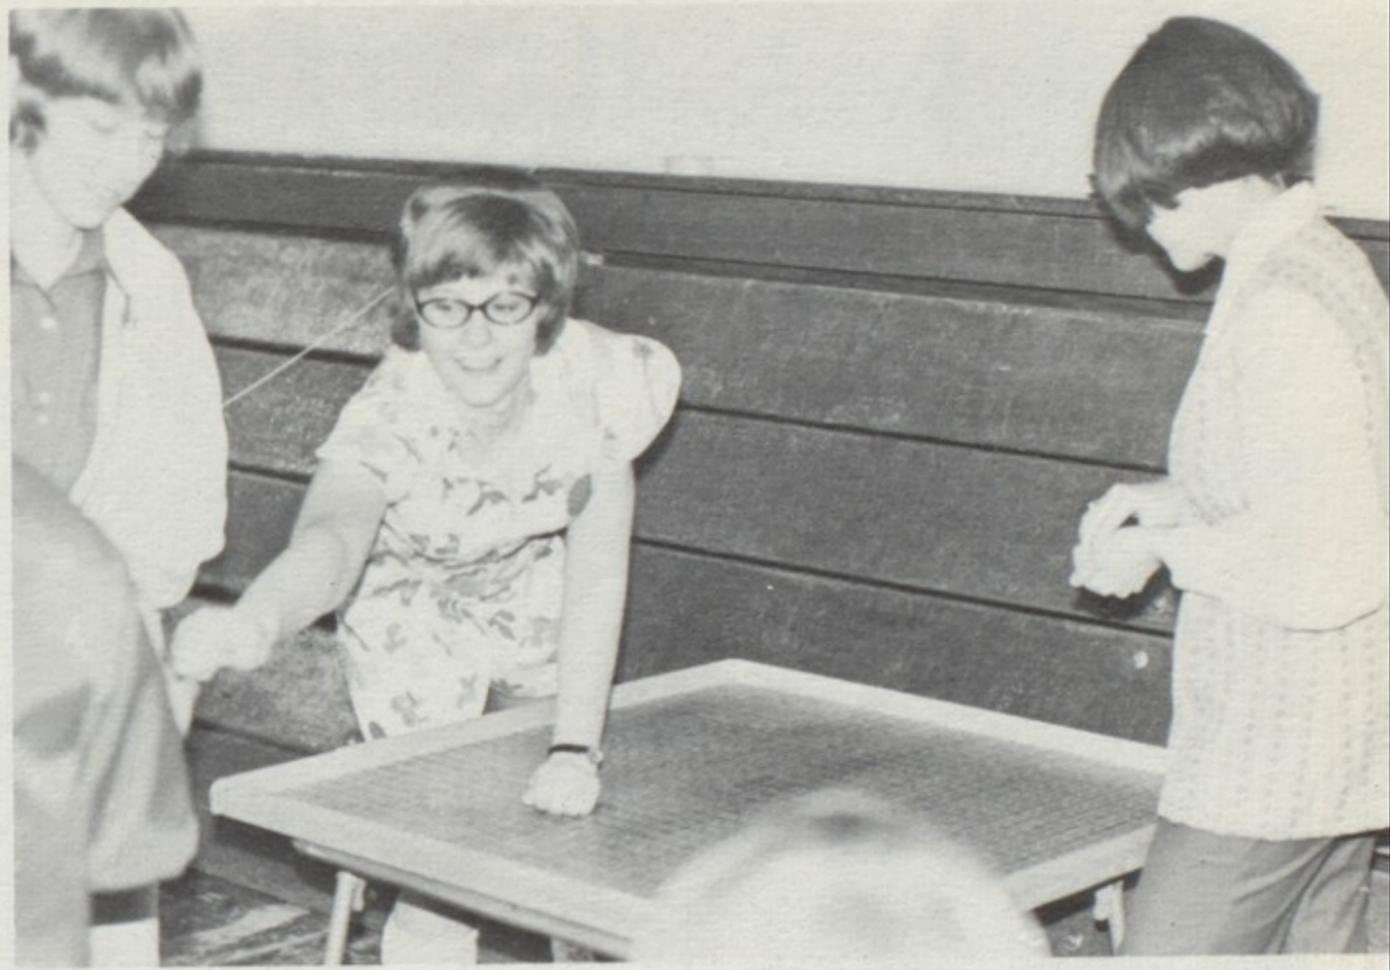

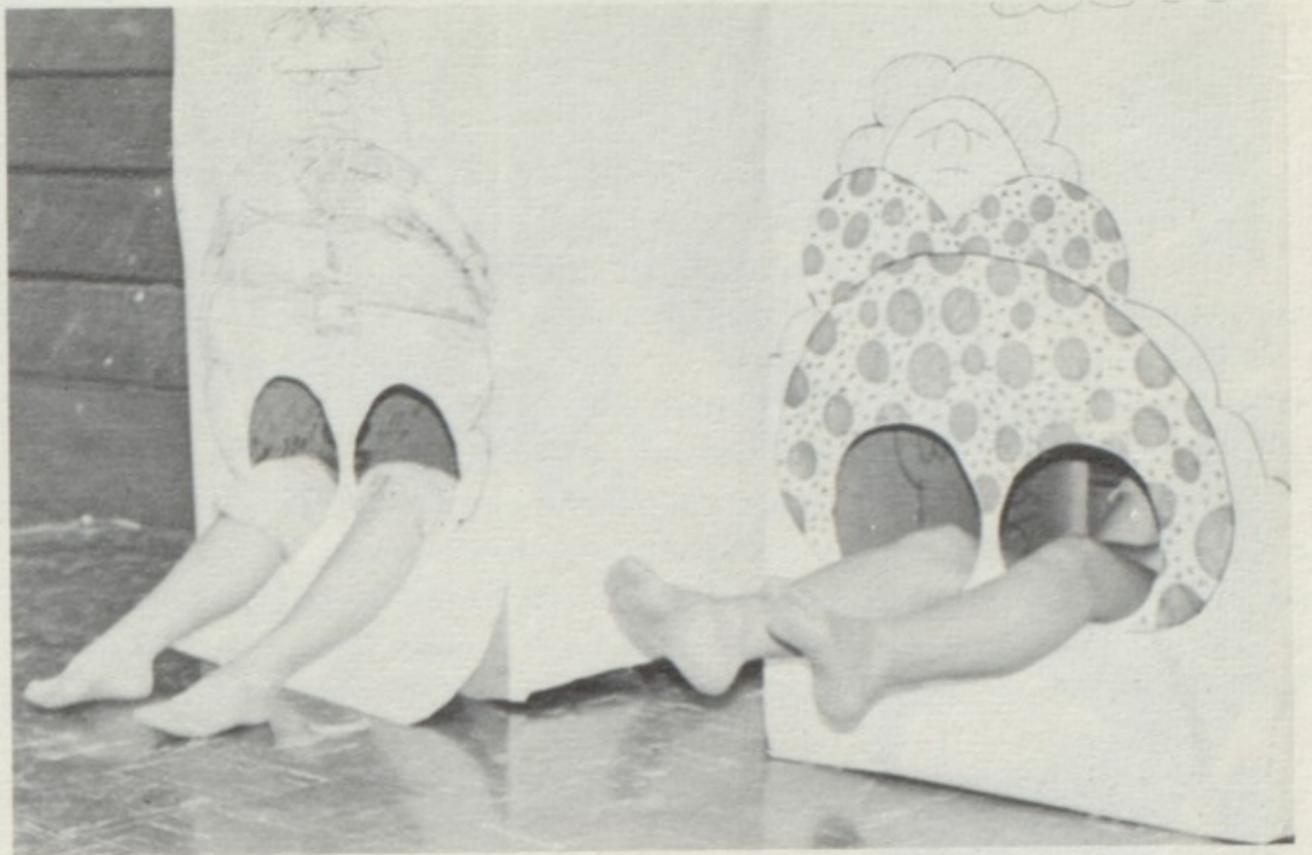

Penny Carnival

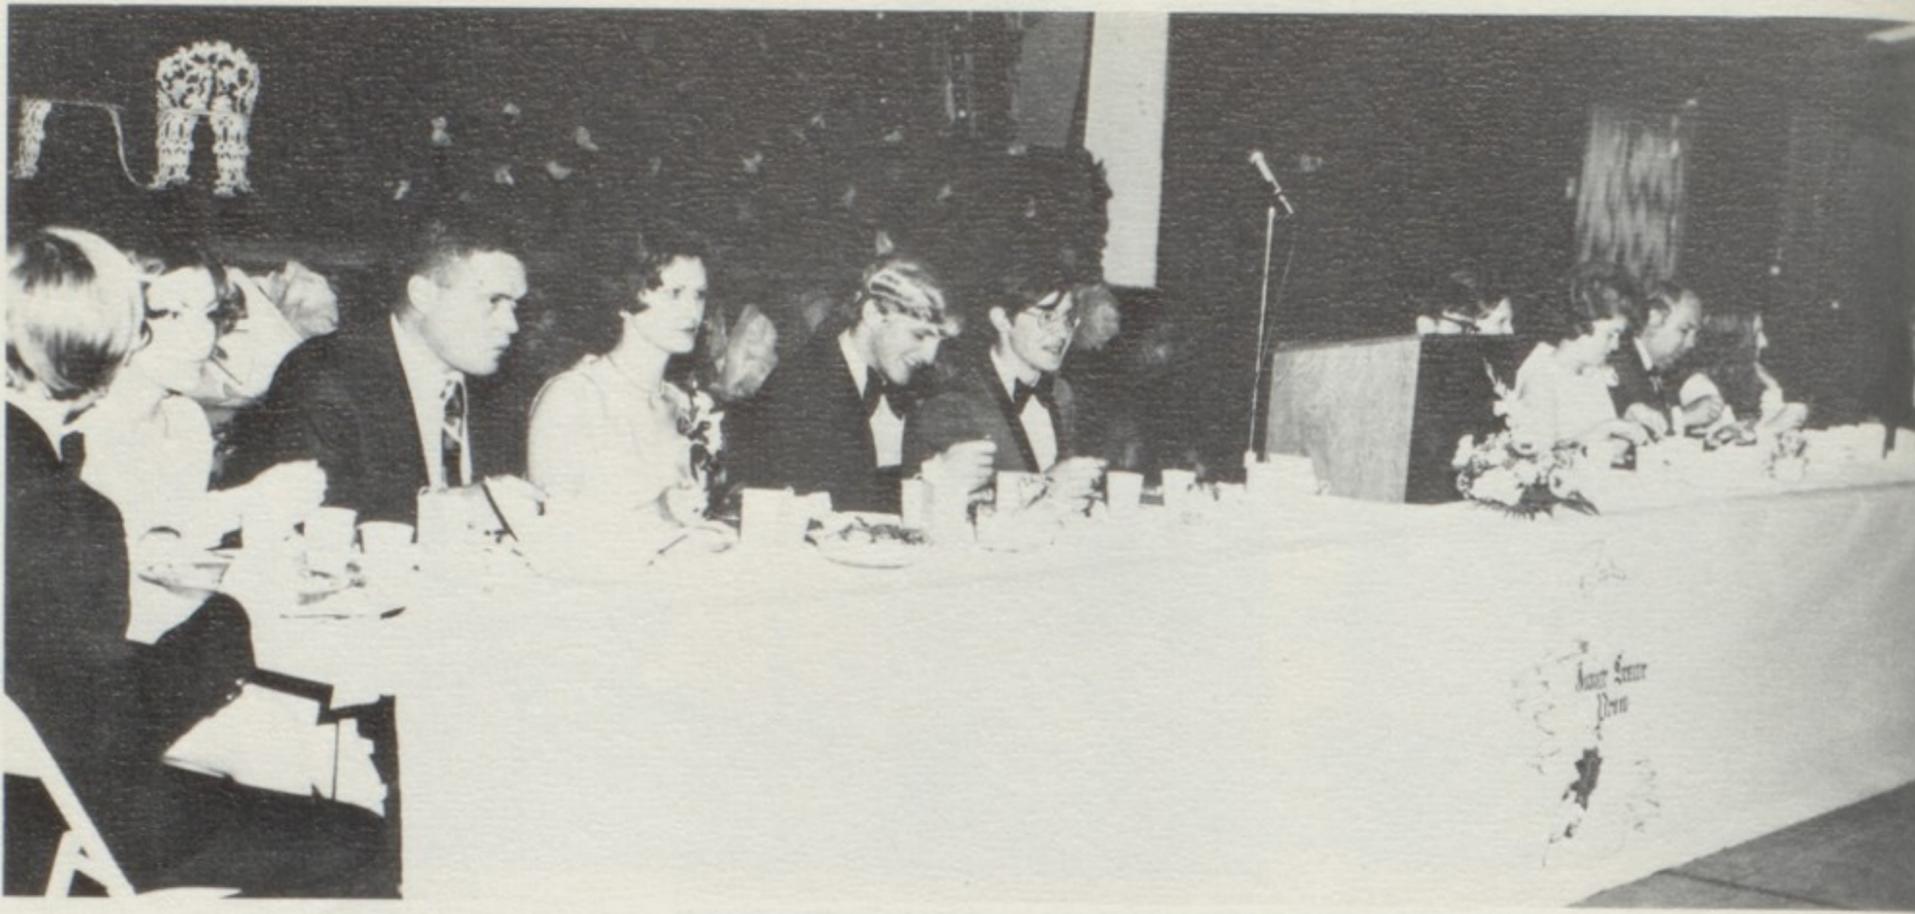

This year's Penny Carnival was one of the most successful ever, featuring Dr. San Guinary. Despite the rainy weather, many children and adults as well came to test their skills at the various booths. One of the popular attractions was the Spook House sponsored by the Annual and Platter Staffs. Other interesting booths were the Drafting Class's Dunking Stool, Drama Club's Old-Time Flics, and Homemade Ice Cream made by the Spanish Club.

Afterwards, music was provided for the Penny Carnival Dance by the "Royal Assembly." The evening ended with the coronation of Queen Barb Grove and King Gene Steppat. Attendants were Ladera Schrynemakers, Cathy Dietz, Diane Engle, Barb Campbell, Kathy Baumgart, Jean Herfordt, Bill Kephart, Don Reichart, Mike Ford, John Painter, Dean Clark, and Jim Spangler.

Everyone hopes that next year's Penny Carnival will be as entertaining.

Moonlight and Roses

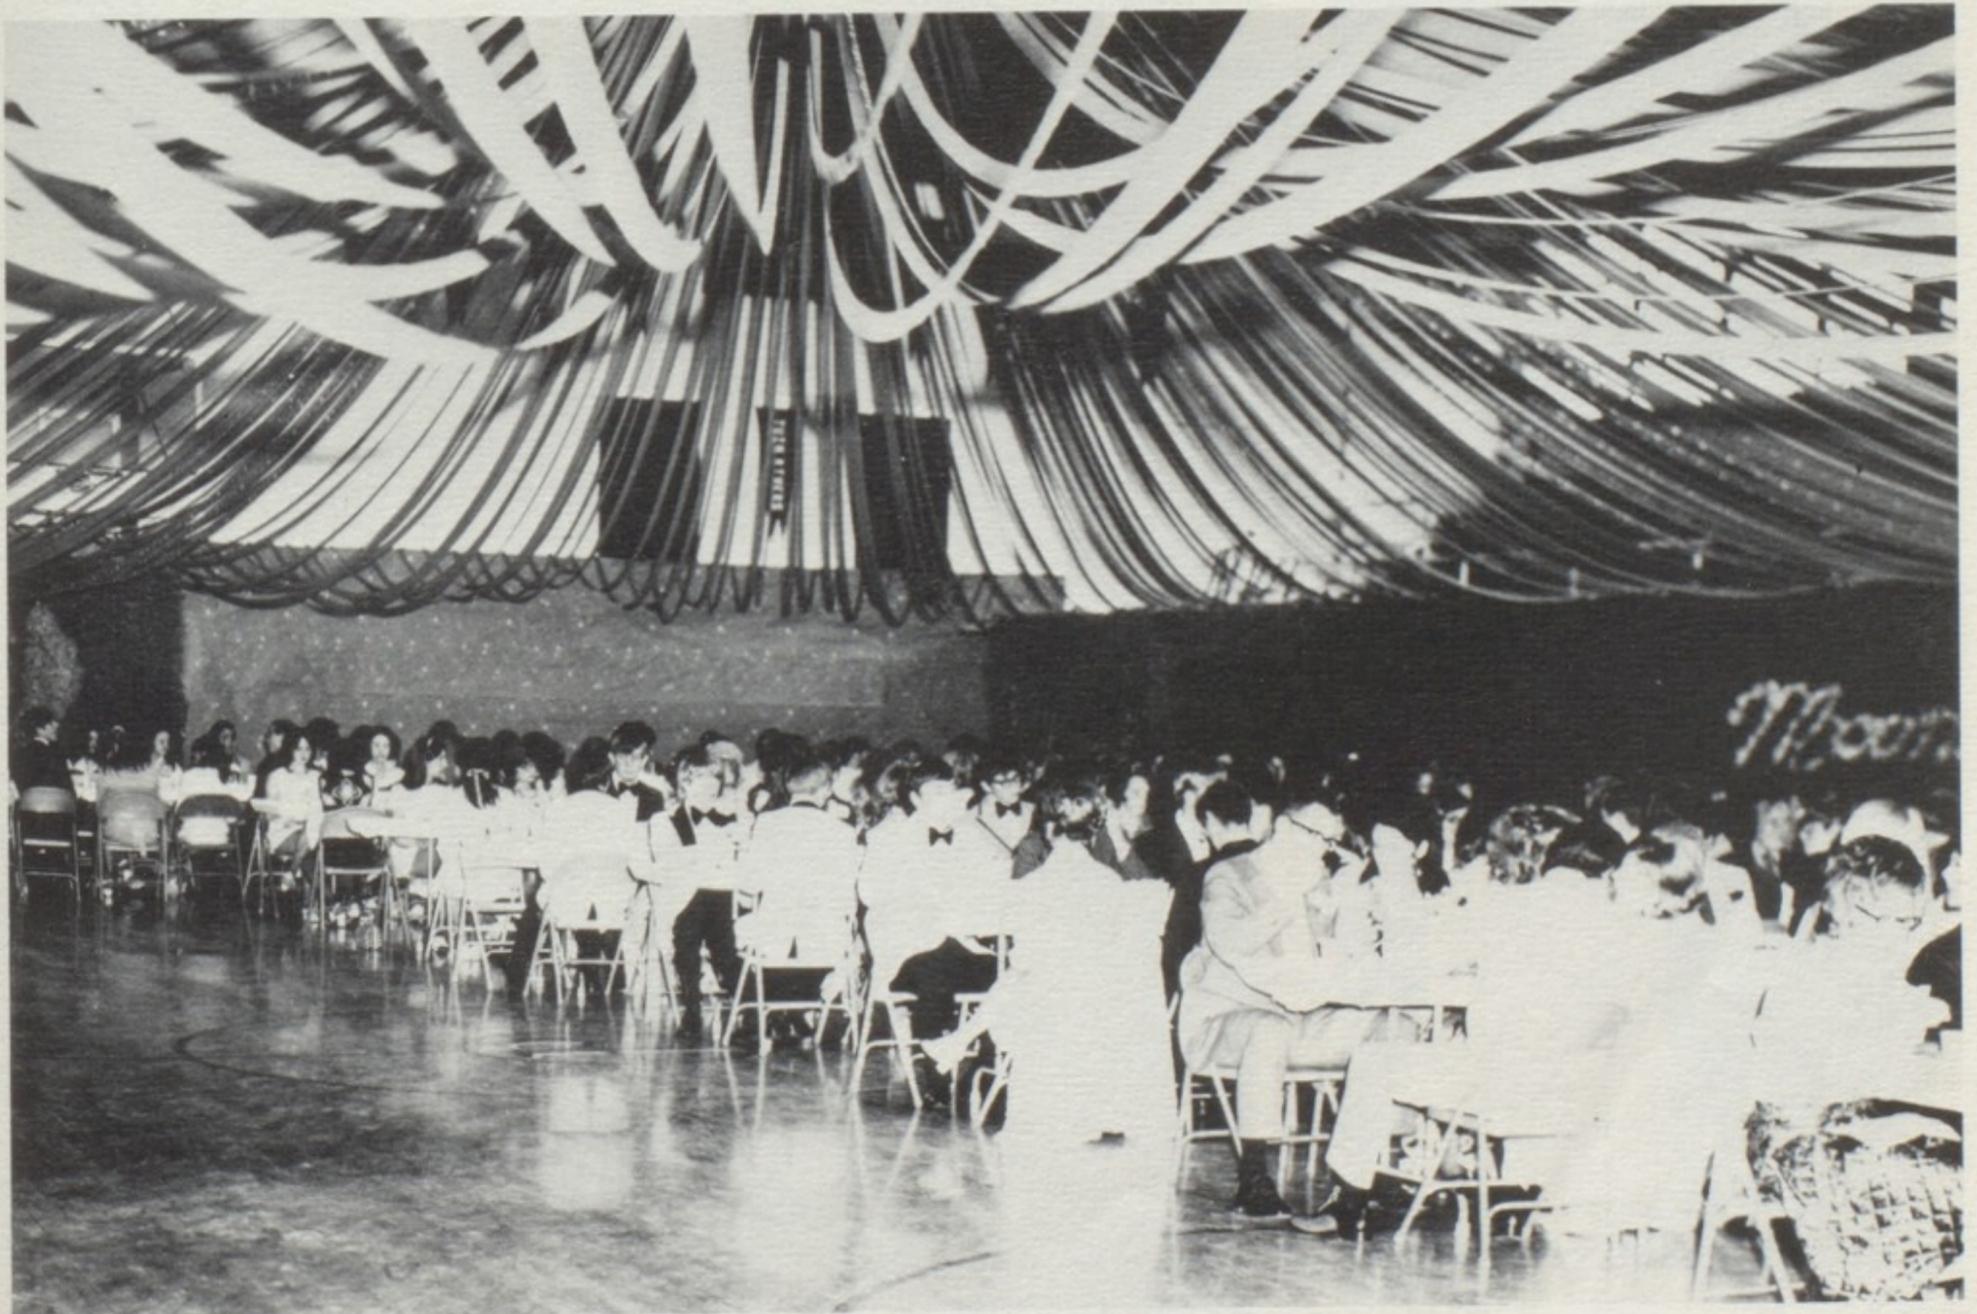

May 6 was all Moonlight and Roses. As usual the juniors made prom something special for all.

After the banquet was served, Geoff Henning and Jim Spangler presented entertaining speeches; then Gene Steppat read the Senior Will.

Entertainment was provided by the swing choir and skits were given by the prom servers. They were: Dean Thiessen, Pat Ford, Hank Spangler, Bruce Wiles, Les Peterson, Tom McShane, Steve Bomberg, Dan Holoubek, Stella Sharp, Susie Dietrich, Marnee Troop, Kerry Case, Diane Evers, Dianna Rienke, Marla Tincher, and Jodelle Glushenko.

When the banquet was over and an hour had passed, the dance began. The "Ak-Sar-Ben Bridge" played music to fit the occasion. The royalty was finally announced. Dennis Cunningham was crowned King and Linda Holman was crowned Queen by last year's King, Steve Thiede, and Lee Ann Blackwell, who stood in for last year's Queen, Deana Redden. The senior attendants were Diane Engle and Jim Spangler. The junior attendants were Sherry Finch, Karen Thiede, Dave Rhylander, and Kirk Meisinger.

For a long time to come, the juniors and seniors will have pleasant memories of "Moonlight and Roses."

Athletic Banquet

Gene Steppat, president of the Letterman's Club, thanked the Booster Club for their enthusiastic support.

Mark Butler was recognized as Outstanding Golfer of the year.

Nick Halmes, Bill Kephart, and Mike Haecke were elected tri-captains in Track.

The wrestling squad elected Allen Schmidt as captain.

The annual athletic banquet was held May 8 amid Prom decorations. Senior and Junior members of the Pep Club helped to serve the meal. After dinner, Ed Sutton, head basketball coach at Creighton University, gave an inspirational speech. The awards were presented to well-deserving athletes for performances during the year.

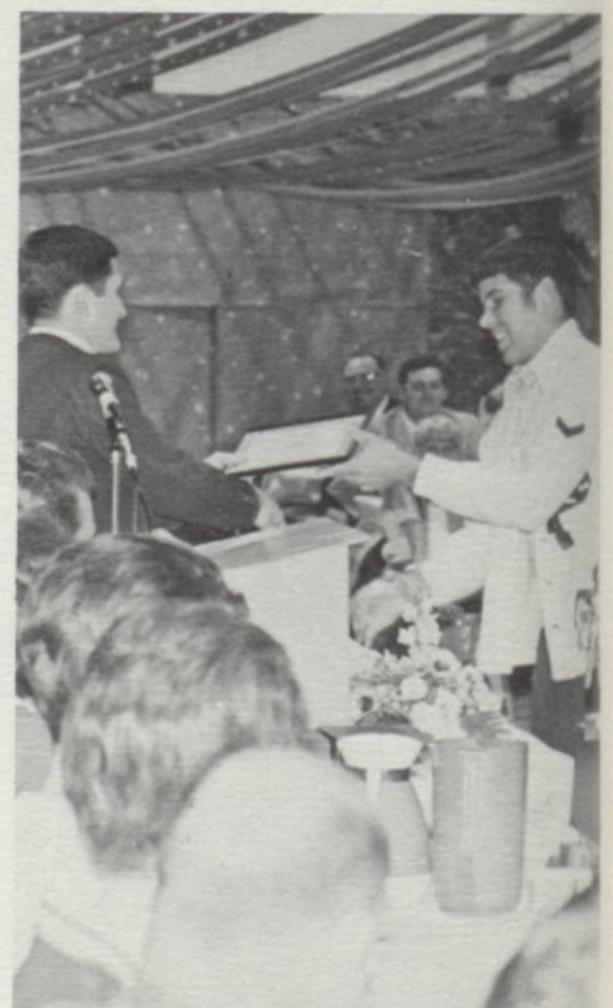

Rod Redden, Mike Haeke, Dan Holoubek, Mark Butler, Nick Halmes, Brad Puls, Dan Gradoville, Dave Rhylander, Jim Spangler, Gene Steppat, Alan Aylor, Bill Kephart

Alan Aylor was recognized as Most Valuable Player in Football.

Coach Eddie Sutton gave an inspirational speech to the boys.

Dan Holoubek was elected Outstanding Wrestler and co-captain.

Honors Convocation

At the final convocation of the year, held May 17, achievements in scholarship, sports, and organizations were recognized.

After the awards were given, Tom Sharp, Student Council president, instructed the seniors to leave, and the remaining students to "move-up" to their future seats.

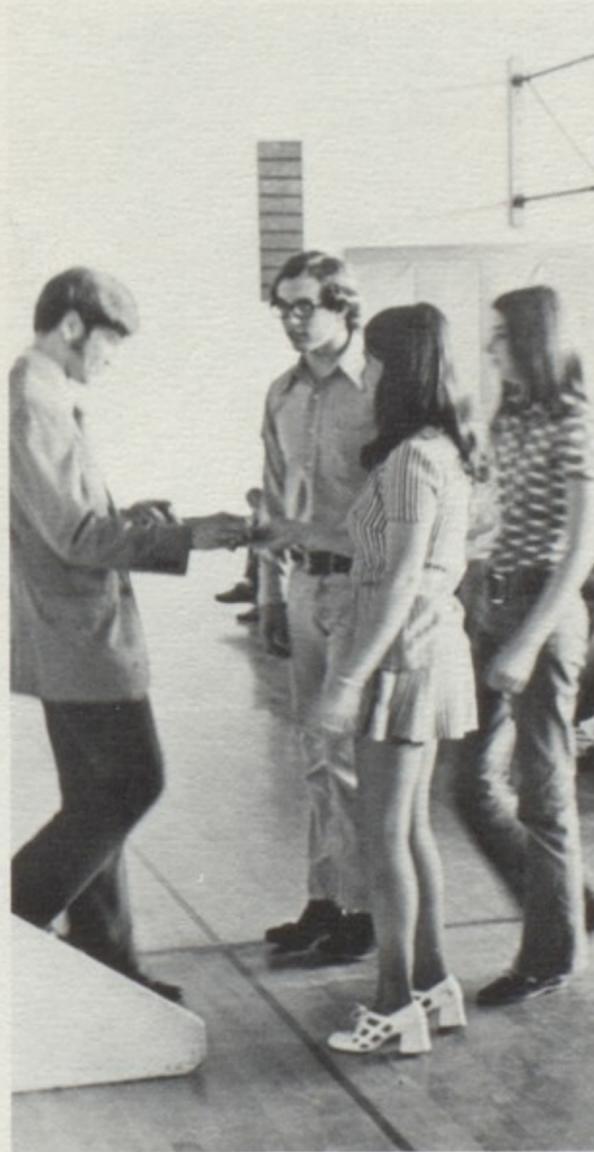

All eyes are on Mr. Herweg when the Annual dedication was announced.

Cross Country

This year's Cross Country team achieved great success even though three of the four varsity contributors were running their first season.

Workouts consisted of distance runs averaging six miles a day which totaled 250 at the end of the season. Two weeks prior to districts, practices were in the mornings and afternoons, totaling nine or ten miles daily.

In varsity competition, the Cross Country squad placed first at the Apple Jack Invitational, Twin Rivers Tournament (second time in a row), Districts, and two home duals with Nebraska City and Syracuse. Two of three second place titles came from the hands of a fine Syracuse squad. The only other second place finish was a proud Class B State Runner-Up at a muddy Spring Lake Park course in Omaha.

With these varsity finishes and an undefeated reserve squad, next season should be just as victorious.

Devils Win Homecoming

The Blue Devils had a disappointing season plagued by injuries and ended up with a 1-8 won-lost season. After losing their first five games, the Devils won the hard fought Homecoming game over Falls City 28-22. The Devils took the lead, lost it, tied, trailed, tied, and then finally pulled ahead to win.

Highlights of the game included quarterback Mark Butler hitting running back Gene Steppat with 58 and 80 yard TD strikes and also finding Bill Kephart with a 13-yarder. Quarterback Keith Heedum ran for one TD and also hit end Brad Puls for two vital two-point conversions along the way.

Dan Gradoville also provided plenty of excitement by intercepting four Tiger aerials, a school record for one game.

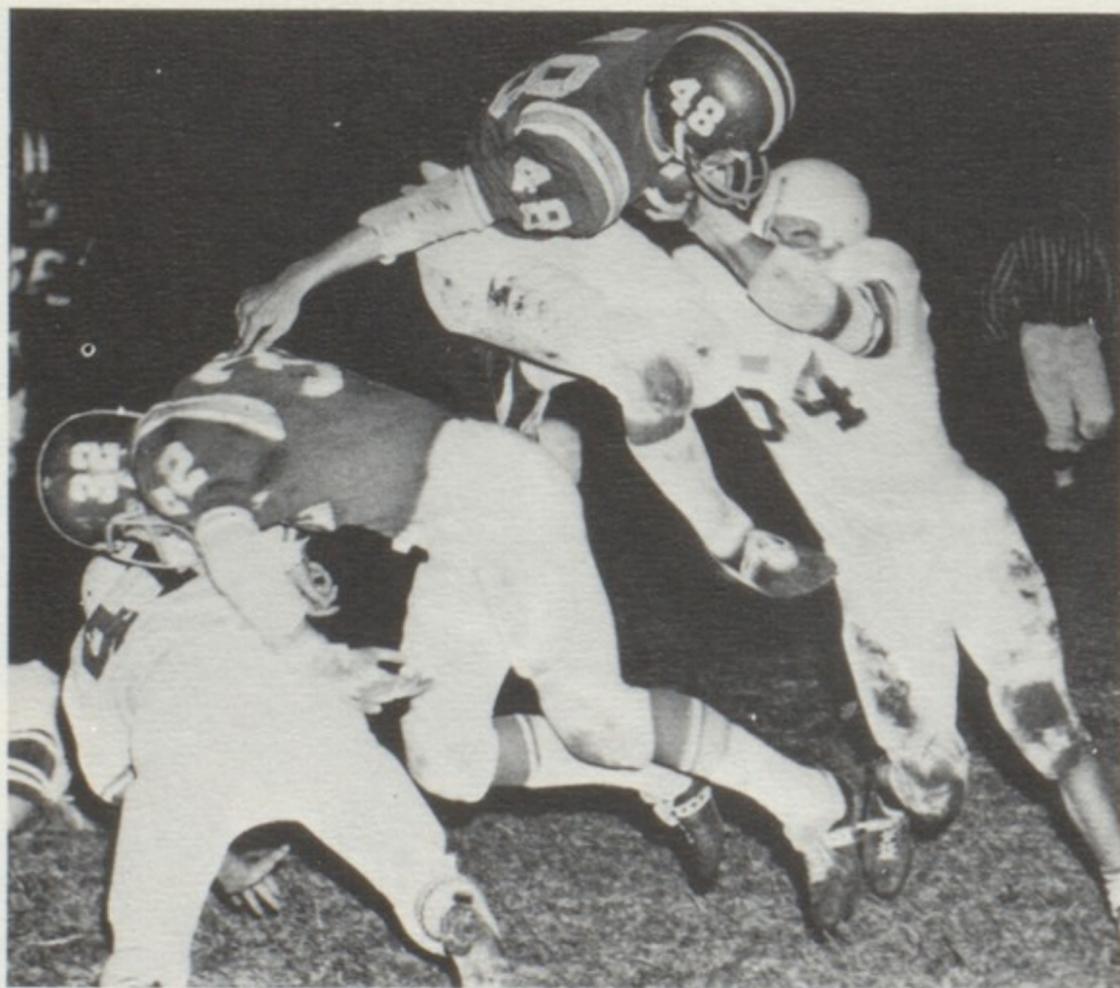

With plenty of good material coming up and a new weight machine to work with, the Devils and Coach Mitteis expect much more next season.

Finally, after many years of hard work by many people, Plattsburgh High School opened a beautiful 8-lane all-weather asphalt track this spring. The new track, one of the finest in the state, provided added incentive for the track squad as they battled to fill vacancies left by graduation. With only four seniors on this year's squad, rebuilding became the theme.

Many fine performances highlighted the season, including two new school records. Raul Aganon broke the school record three times in the triple jump and climaxed an excellent year with a record jump of 42'11½" at the state track meet where he finished sixth. Nick Halmes lowered the school record in the two-mile run to 10:11.1.

Even though the accent was on youth this year, Plattsburgh missed winning their district meet by a scant half point and in the process qualified in 9 events for the state track meet. In the stiff competition at the state meet, Rick Kaffenberger, a junior, placed third in the discus for the Blue Devils' three points. Other performers at the state meet were Nick Halmes and Mark Aschenbrenner in the two-mile run, Mike Haecke in the mile run, Dan Holoubek in the discus, and Tim Keil, Kirk Meisinger, Rob Schroeder, and Scott McKnight in the two-mile relay. Raul Aganon also participated in the long jump, and Rick Kaffenberger threw the shot.

Rick, Dan, and Cory gave the Blue Devils balanced depth in the discus.

Keith and Ken, both sophomores, each cleared eleven feet in the pole vault.

Raul set a school record in the triple jump, scored often in the long jump, and inch-for-inch, may have been the most outstanding performer at the state meet.

Nick, Mike, Mark, and Dan gave the Blue Devils depth in the middle distance and distance races. Nick set a school record in the two-mile run, often pushed to the limit by Mark. Mike completed a fine career at PHS by competing in the state meet. Dan ran the 440 and half mile for the Devils.

Jim and Alan skim the hurdles in fine form.

Rob and "Scooter" form the nucleus of a fine two-mile relay team.

Mike ran his best quarter of the year at Neb City.

Bill won his heat of the 100-yard dash at Peru and was the Blue Devils' leading sprinter this year.

Weight Machine

A new addition to the athletic program this year was an Ampro, 7 station weight machine. A super mini-gym leg press machine was purchased also. The weight machine will be used year-round by athletes in all sports. It provides a safe way of producing added strength.

In order to purchase the machine the Booster Club sold light bulbs, cleaner, candles, and stocking caps. An inter-squad basketball game also helped, and a stage band benefit concert culminated the fund raising.

a time for spirit

a time to be unique

a time to celebrate

a time to spook

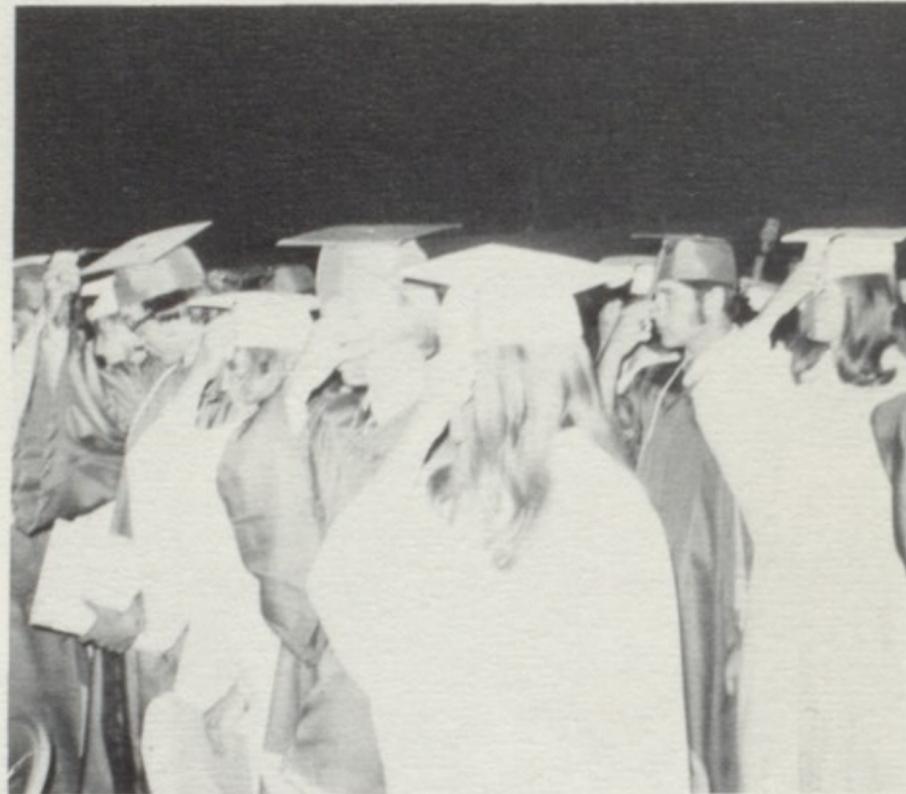

a time to get it together

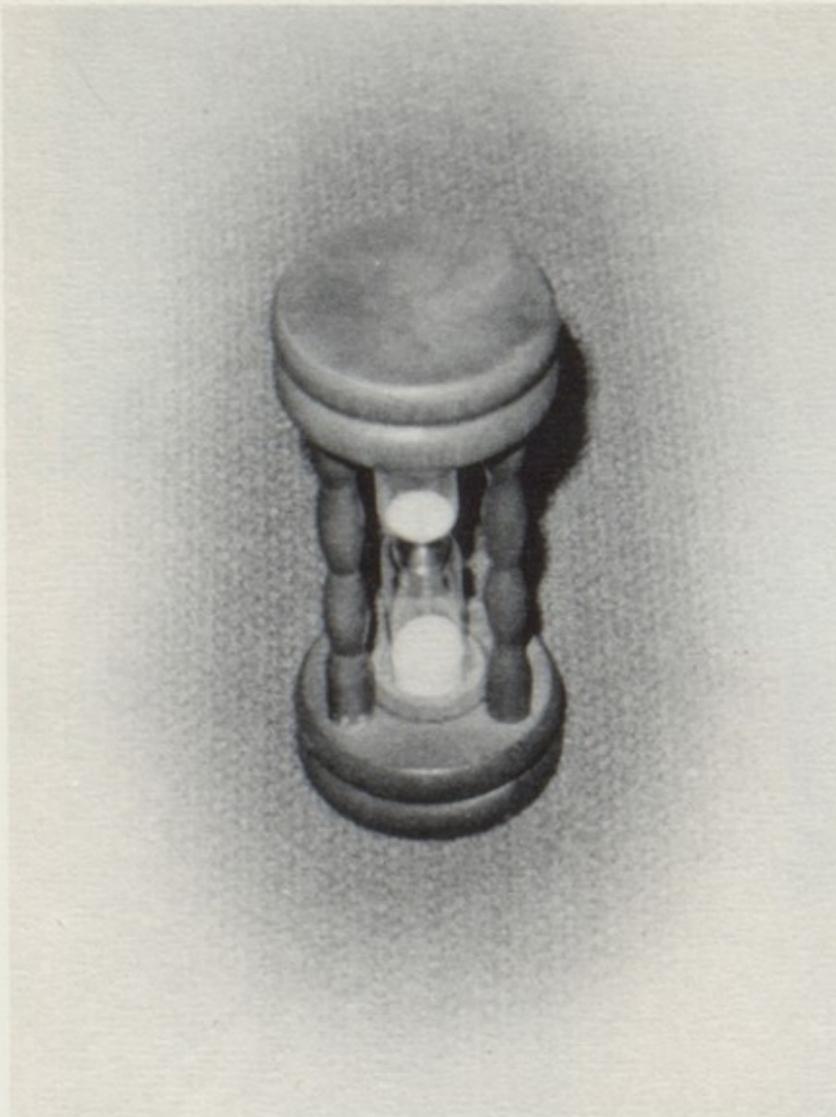

a time for seniors

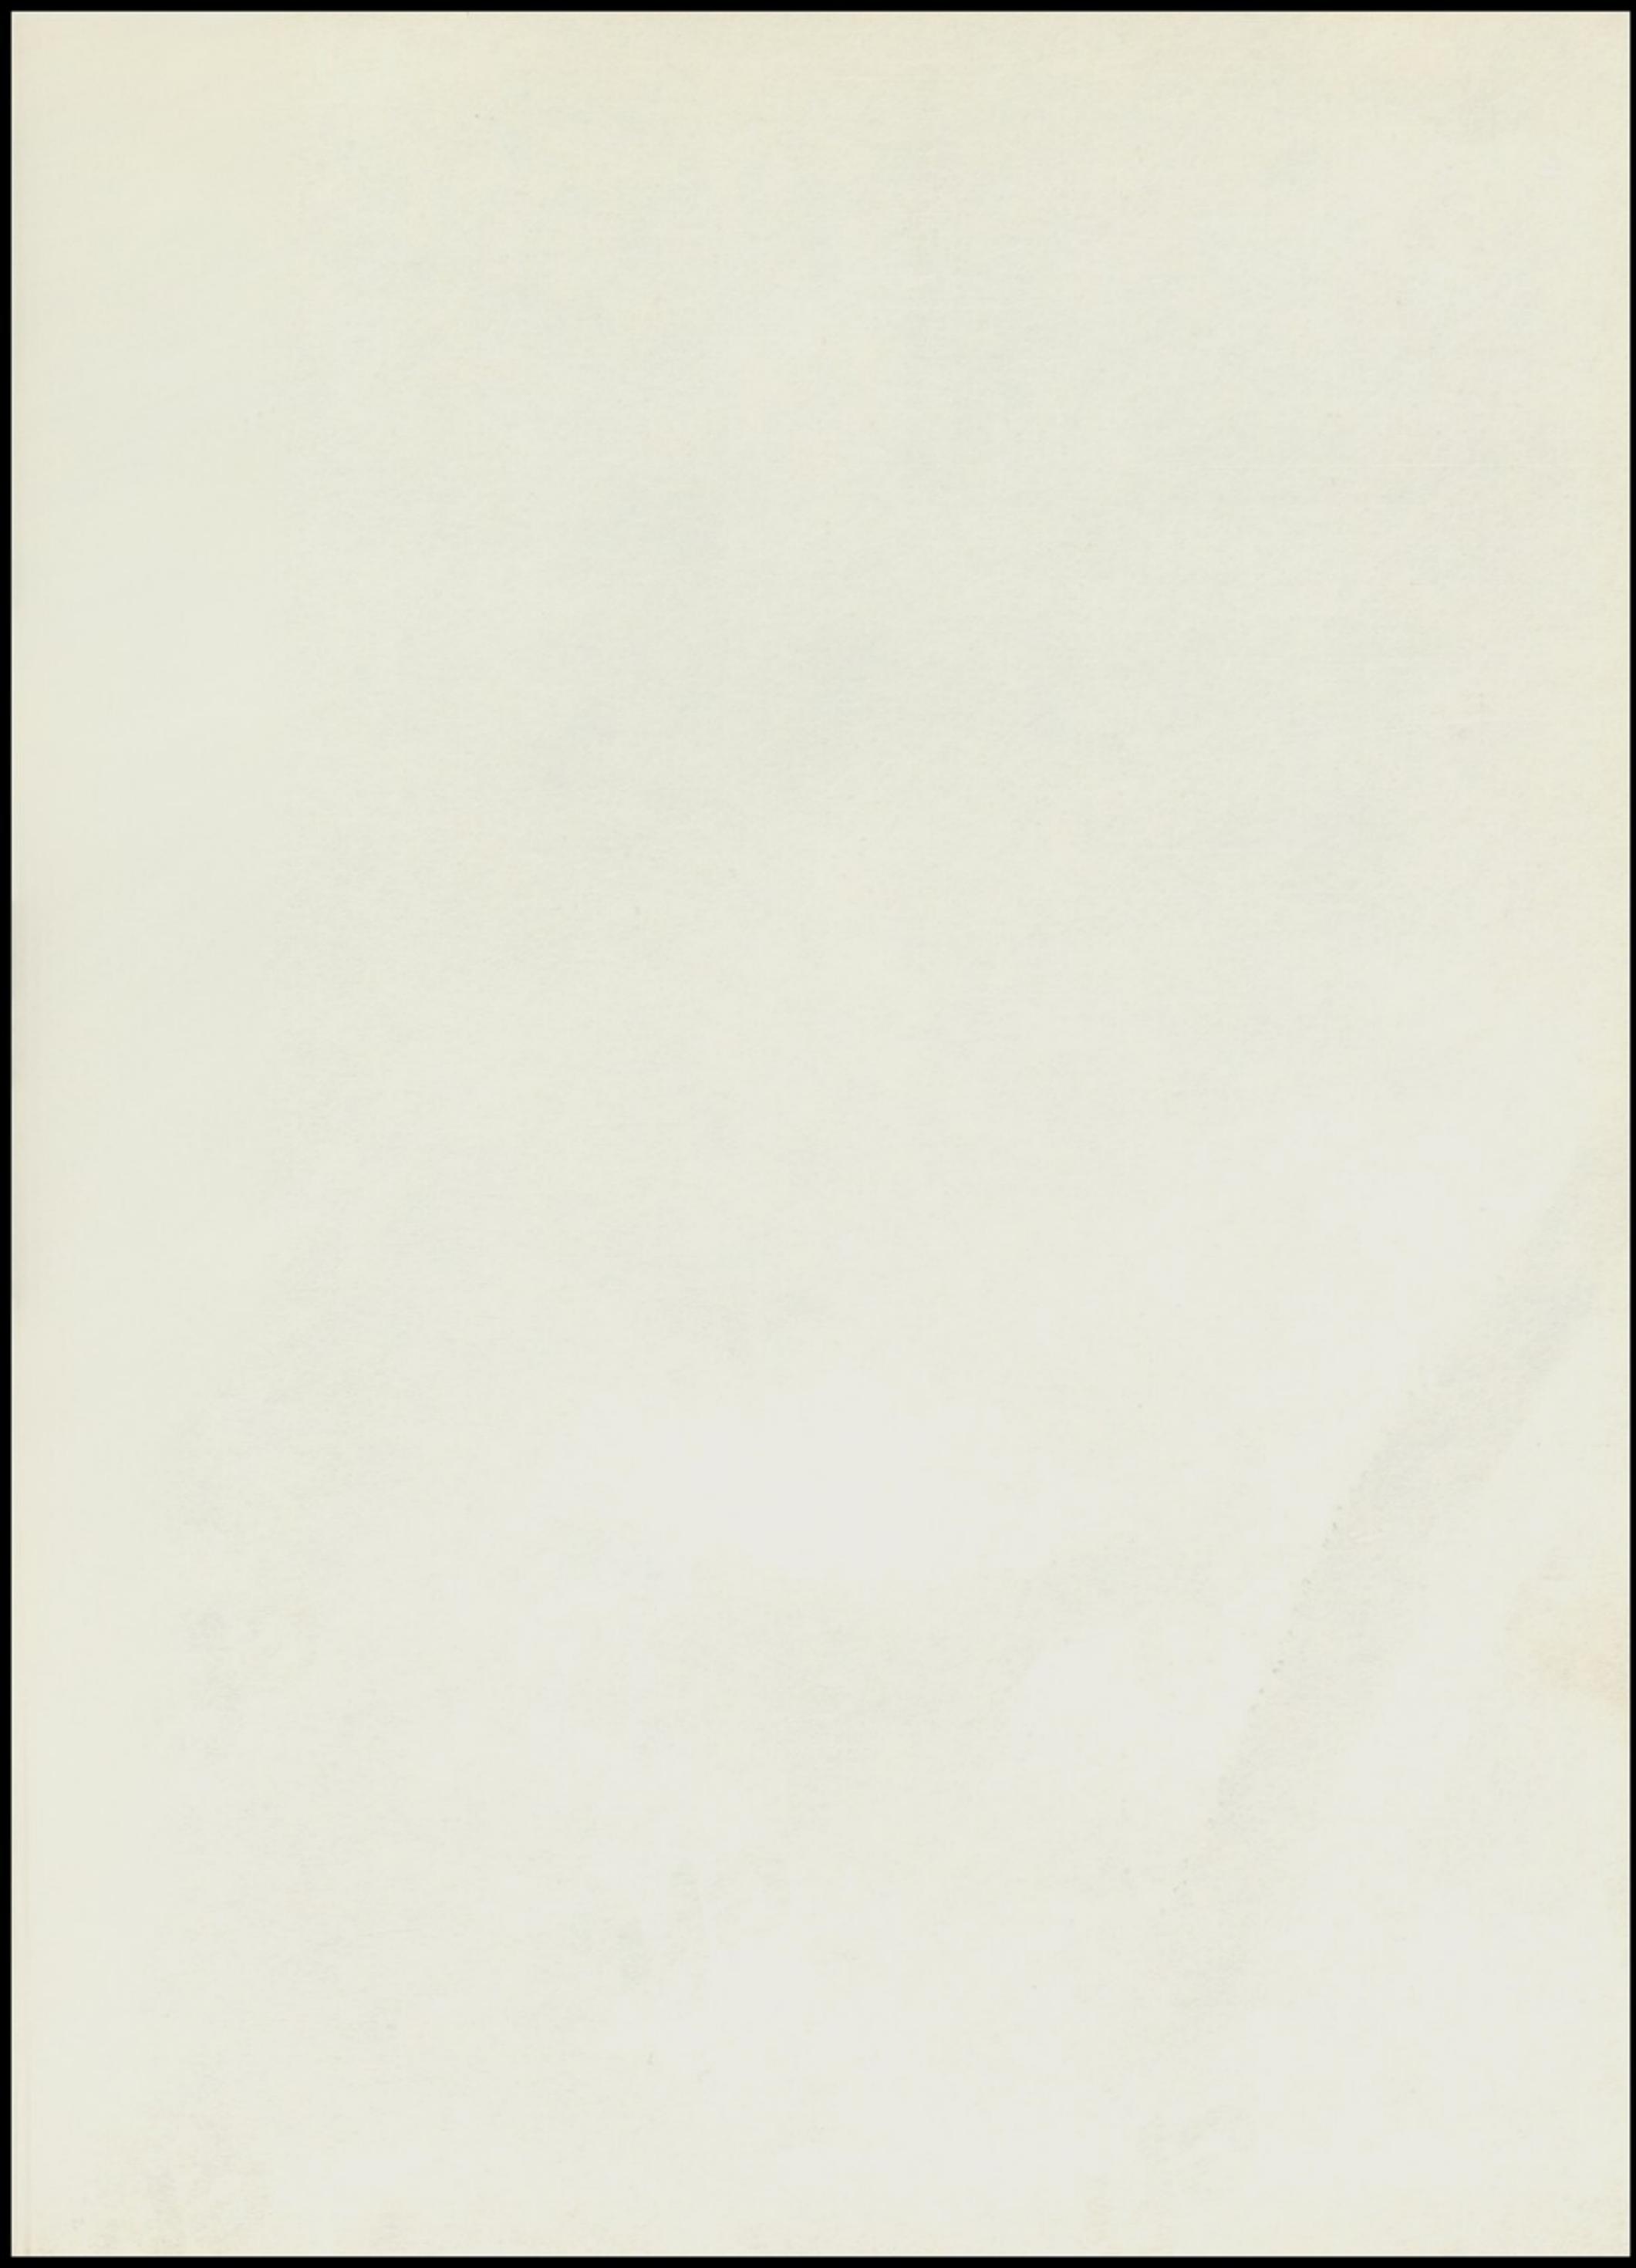

a time to sell annuals

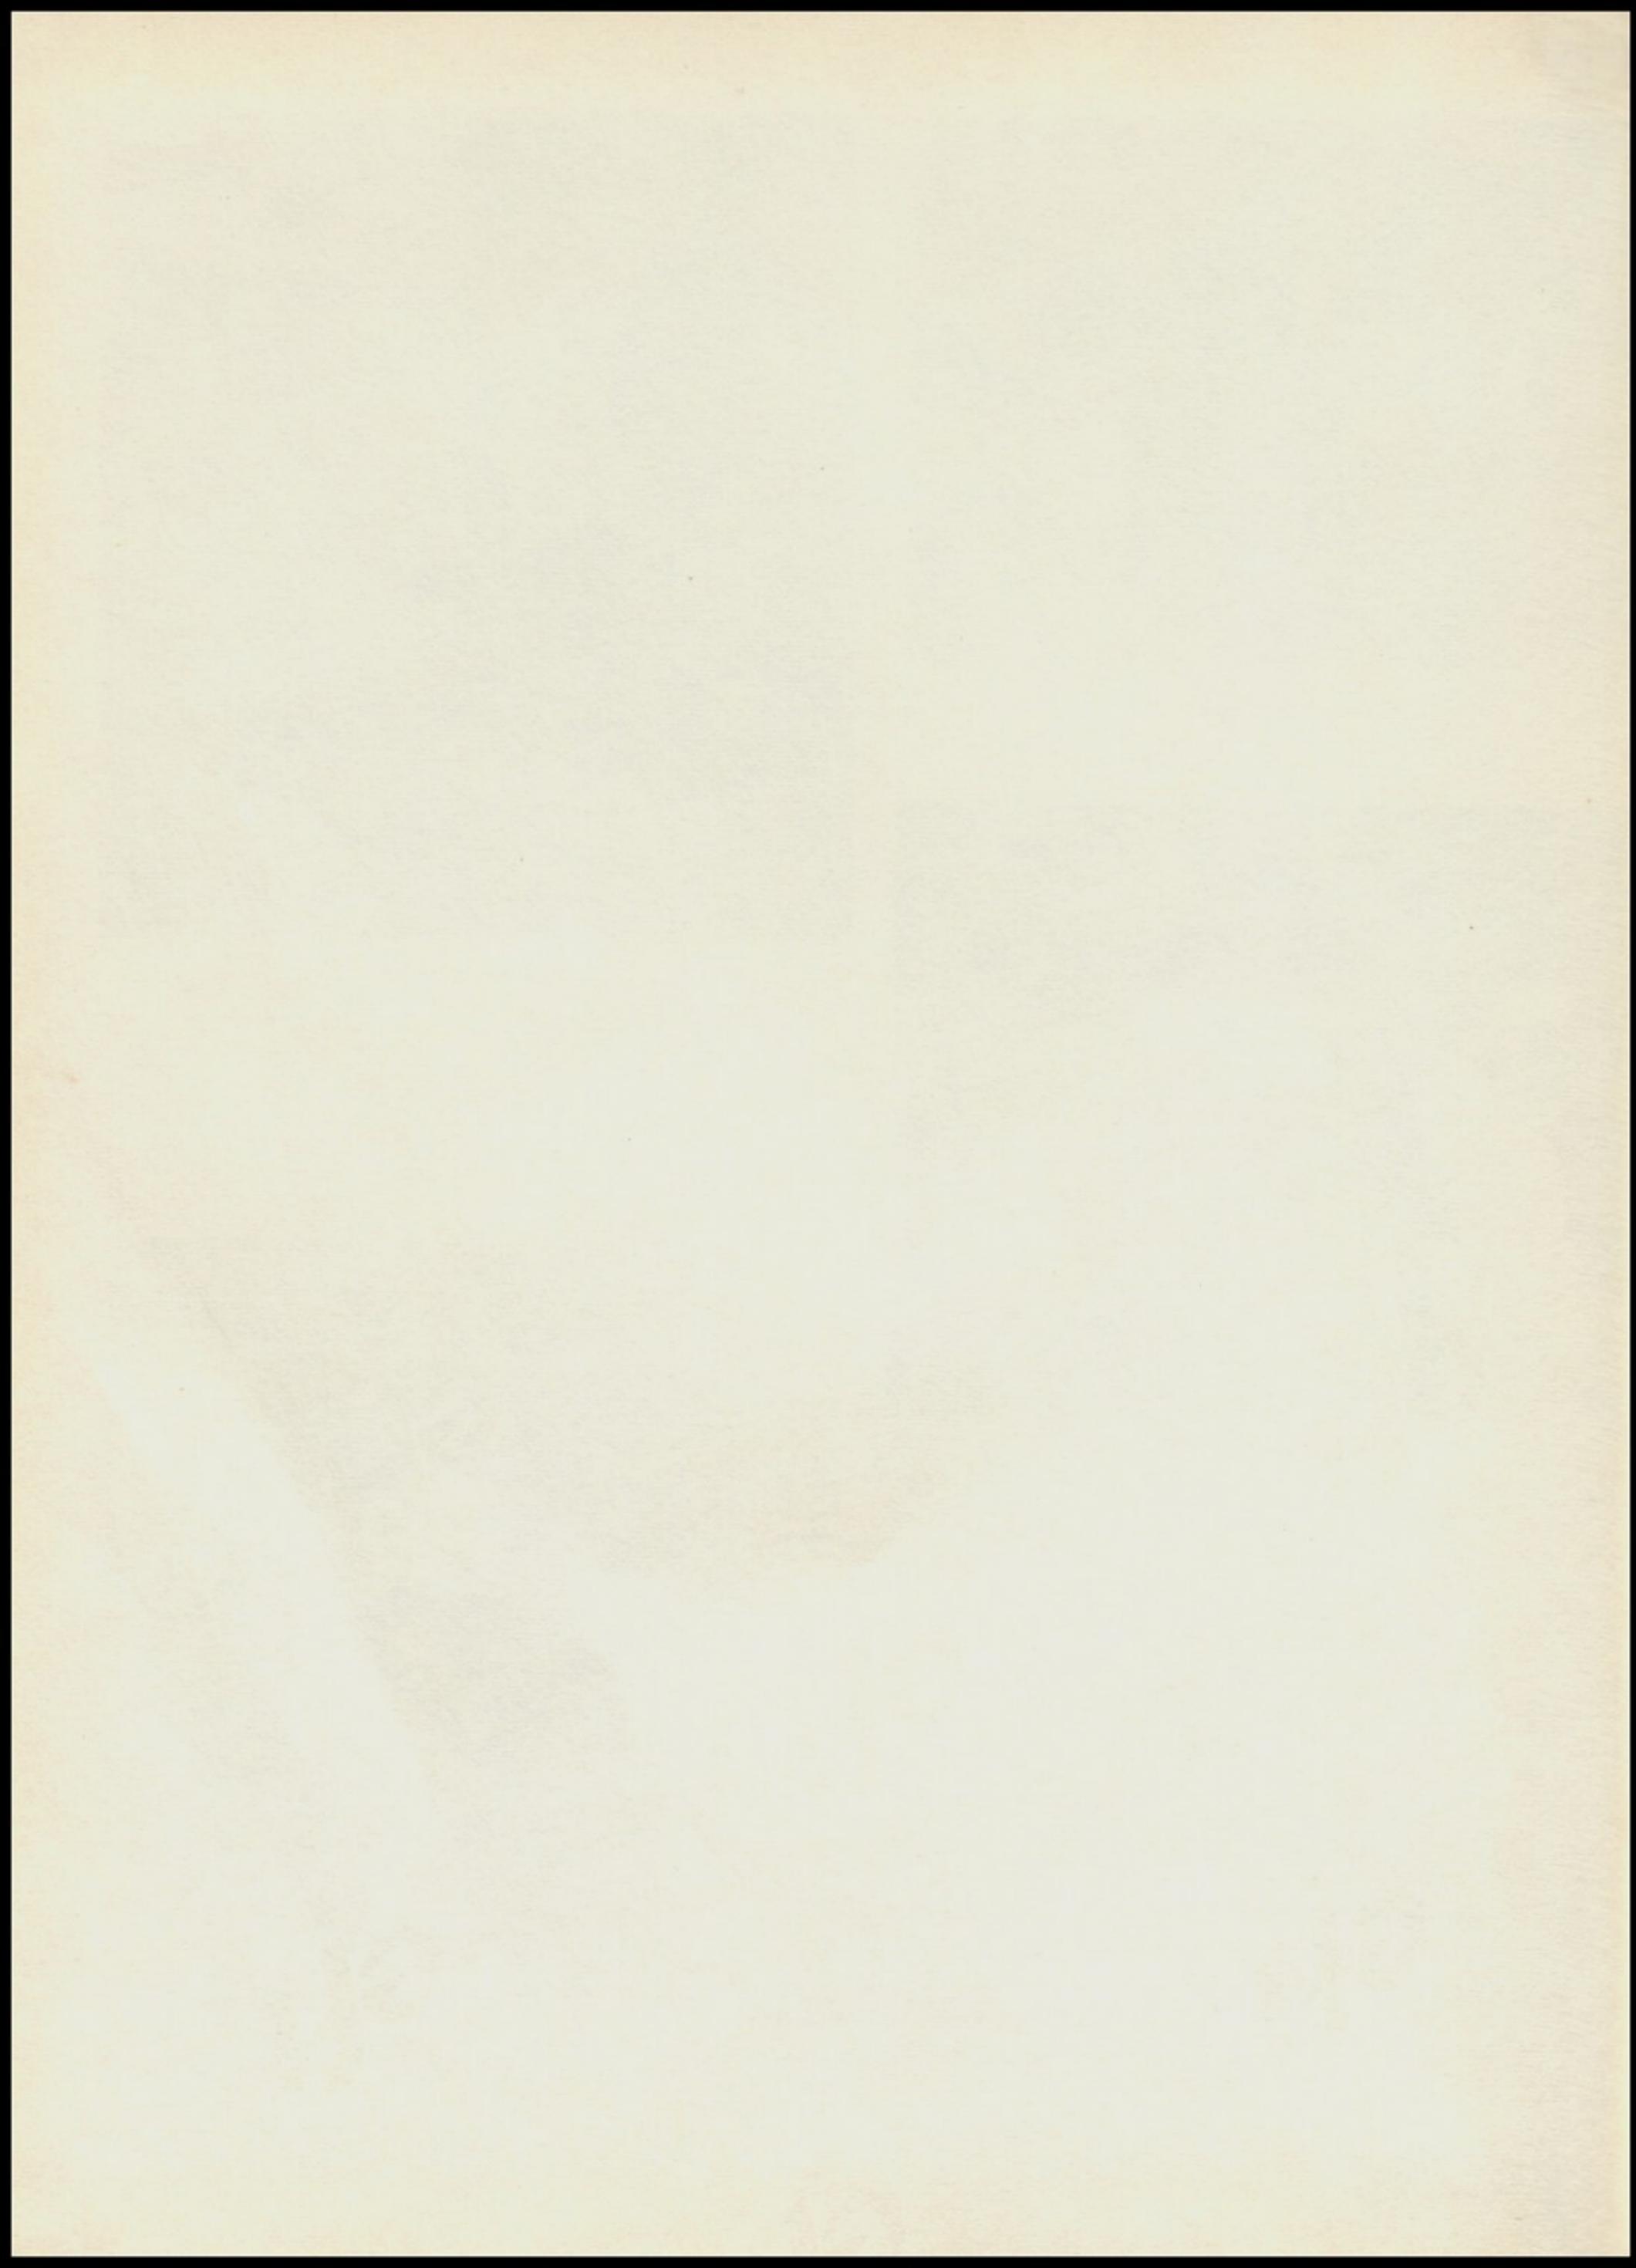

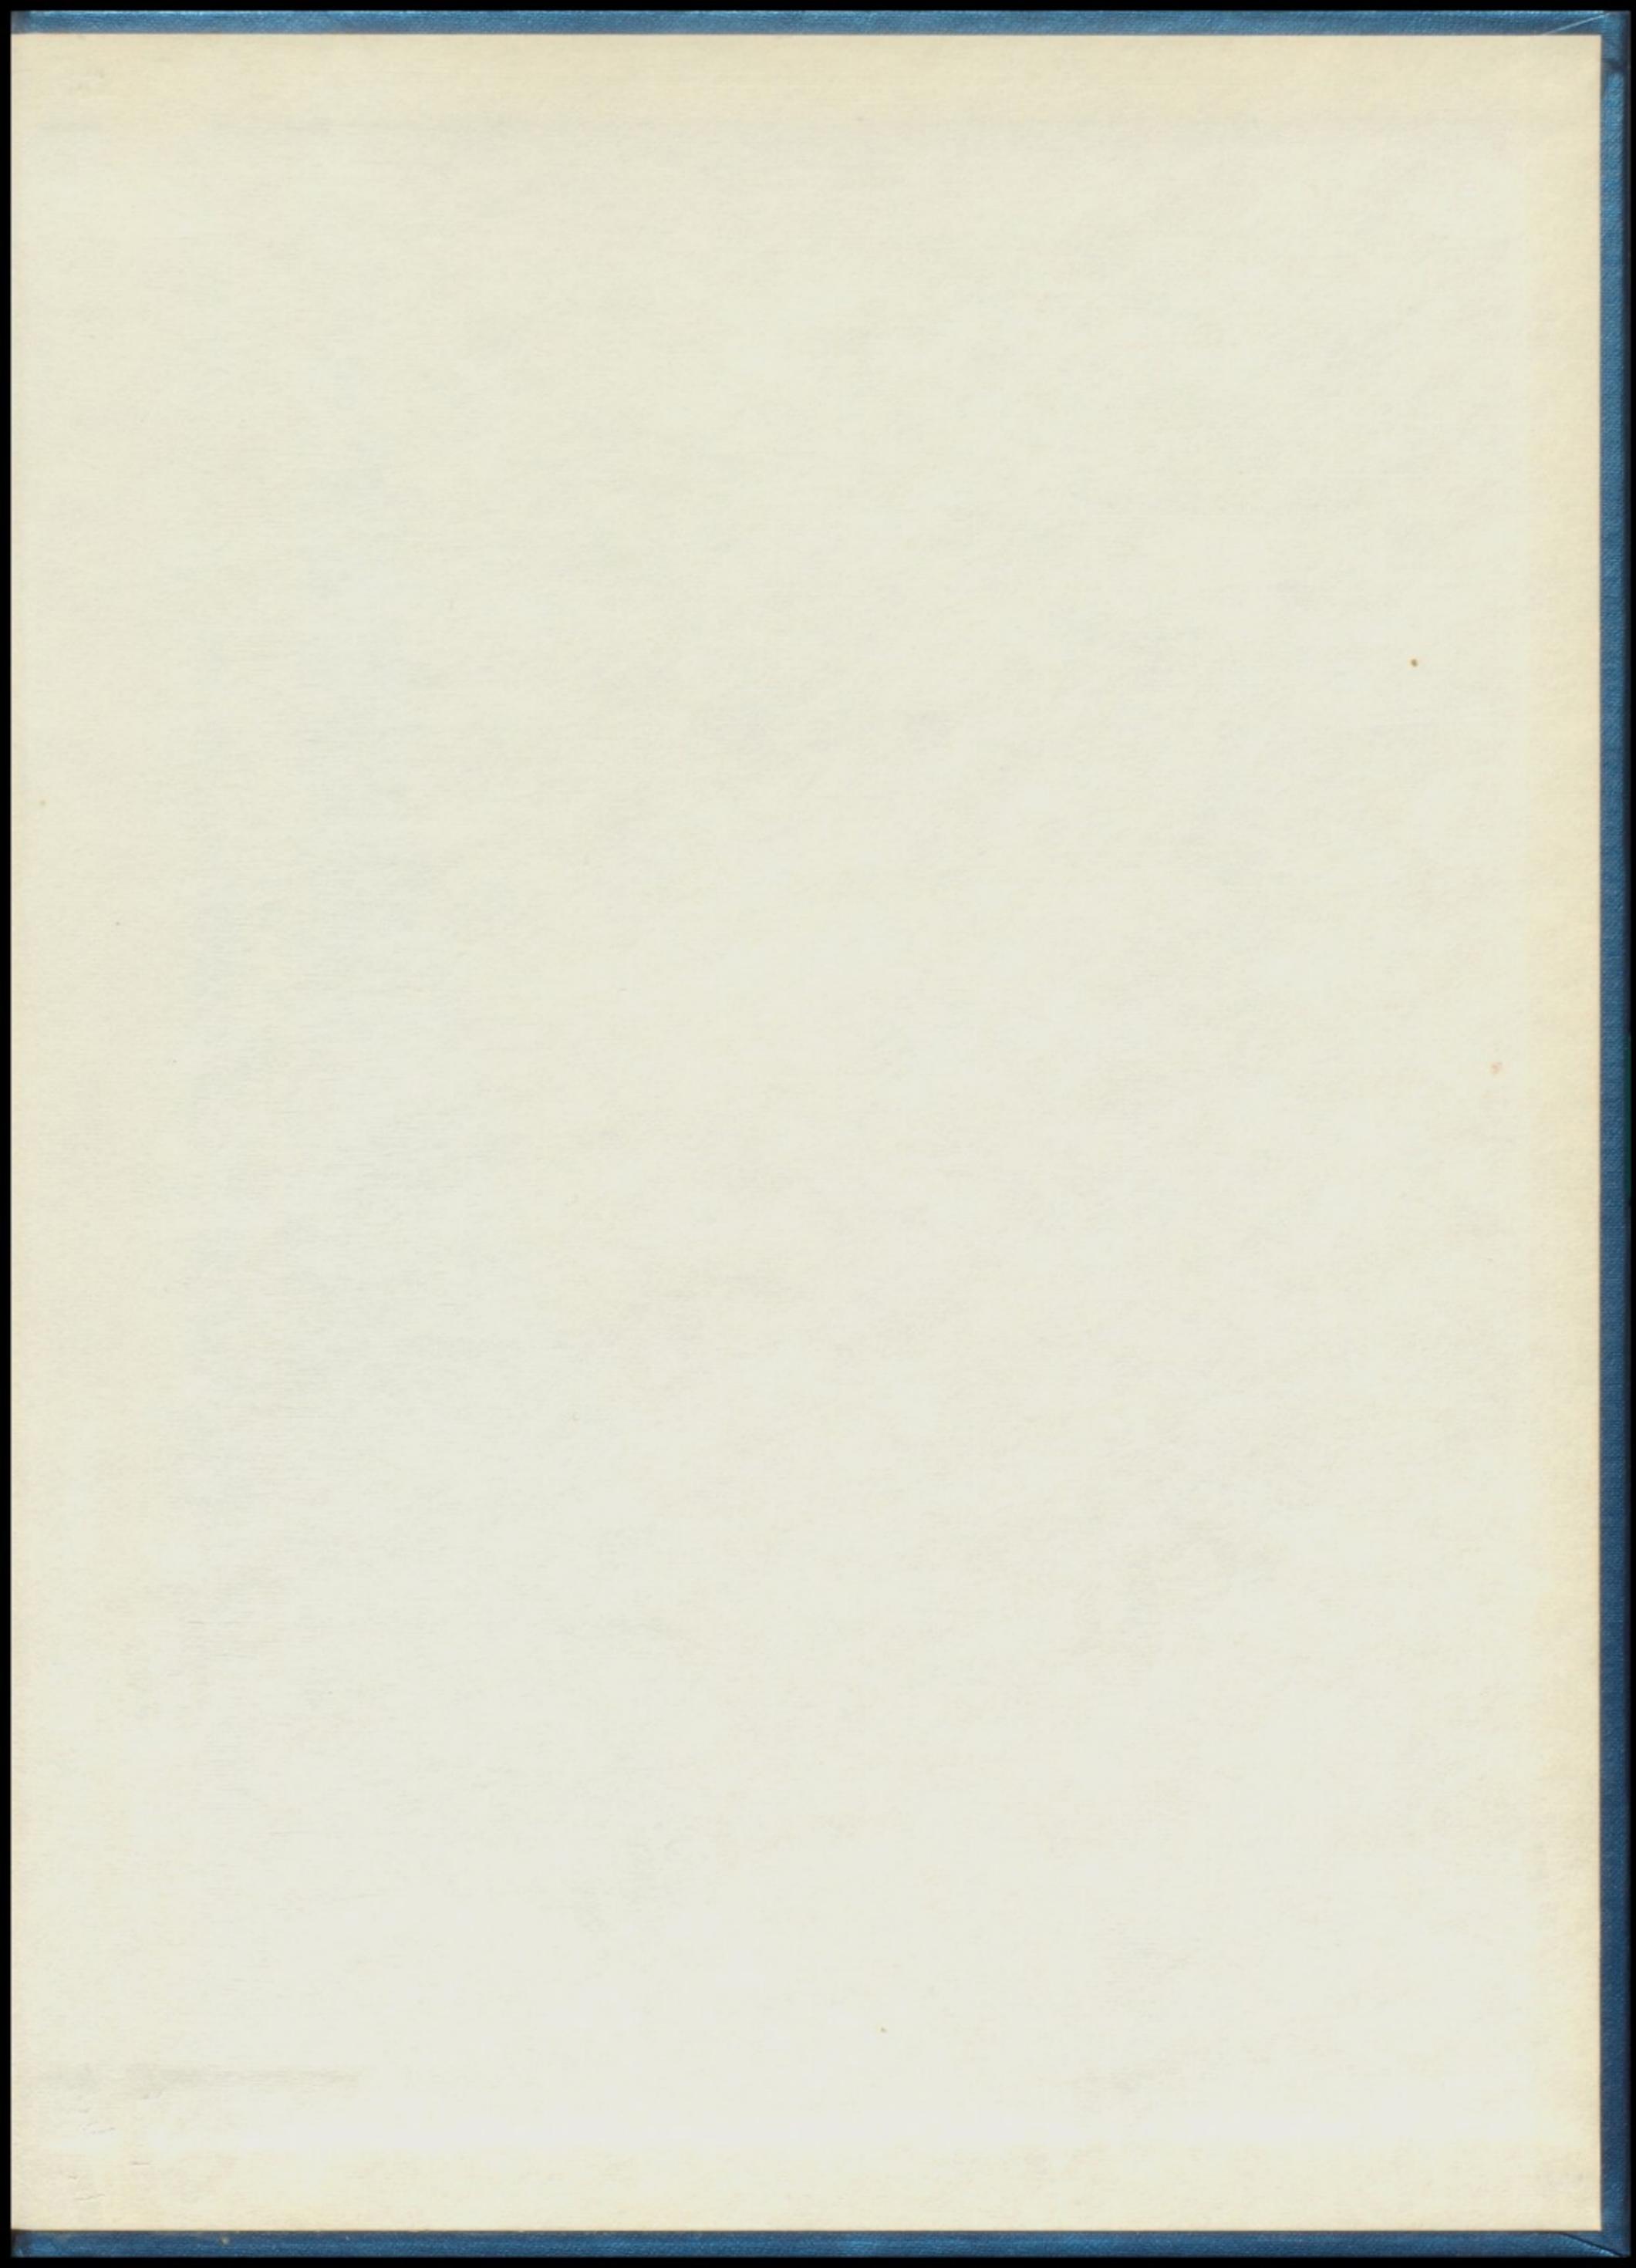

a time to begin again

We have seen times of work and fun, of people and events, of distress and fulfillment. These times are over now, however, and we must face a time unknown to us, the future. In the years ahead, we will remember fondly the experiences we have known in this special fragment of Time.
