## WELCOME TO NEBRASKA DISTRICT FINE ARTS!

What a joy to have so many talented students from across the state with us to both celebrate their talents and display their gifts. We are so delighted you chose to be with us today.

God is so very creative! Simply look at creation. As individuals created in His image we too are given creative gifts to display for others to see and hear. We also have the tremendous privilege of being able to minister to others with these wonderful gifts.

As your new DYD, my heart is to see students fully develop all of their gifts and abilities for God and His Kingdom. One place for this is in Fine Arts. It is our passion to see all the creativity of our students demonstrated for others and focused around the One who gives us these gifts.

We have a world full of people who are so very talented in the arts and we as the Church must do all we can to provide opportunity access for people to worship God in unique and creative ways.

Please know how proud we are of you for your discipline and dedication. It's one thing to have a gift, quite another to develop it and then display it for others to see. Be encouraged to simply let this be a step in the right direction for you to continue to grow in the arts.

Should you have any questions about the day please don't hesitate to ask. We are here to serve you and make this both a positive and pleasurable day for you as you share with us.

Enclosed you will find a schedule, map and evaluation form. If you would do us one favor and be sure to complete the evaluation form prior to leaving. This helps us to serve you better in the future.

Once again we have been blessed by Pastor Bob Wine and the staff of Kearney New Life Church. Please express your gratitude as you come across them.

May the Lord Jesus be glorified in all we do today and in these last days prior to His return!

Bless U!

# FINE ARTS FESTIVAL RULES

## CONDUCT

1. **Participants** - Fine Arts participants must attend orientation. It is very important that each participant be present at the time his or her number is called. Those who are late will be skipped. They will not be allowed to minister in a later time slot. (There will be slight allowances made for those who are competing in multiple events.) Remember to treat others as you would like to be treated when you are sharing your ministry. Please keep noise and movement to a minimum.
2. **Spectators** - It is also important that spectators keep noise and movement to a minimum. For many of our youth, this is a first time experience. They do not need distractions. Do not leave or enter the rooms while they are sharing their talent.

## COMPETITION

The official rules provided by the Assemblies of God Youth Department will be used for the Fine Arts competition. Three to five qualified judges have been selected for each category of the Fine Arts Festival. The high and low scores are thrown out. The middle three scores are then used to evaluate the participants' ministry. All judging will be done on the official judging score sheets. Score sheets will be sent to each participant at a later date. The Awards Ceremony will be at approximately 4 PM today in the sanctuary.
