WITHOUT
EXCUSE™

we are . . .

WITHOUT EXCUSE™

Many of you will be participating in the 40 Day Revolution. Hundreds of students from across Nebraska are seeking God for a revolution to take place in our state and in our nation. Not a revolution of violence but one of prayer and servant evangelism. A revolution of compassion.

We live in a changing world. Our world is a world of terrorists, school violence, occult, immorality, drugs, alcohol, divorce, abuse, greed and disobedience. It's time for a revolution!

It's time to break the silence! We can no longer offer excuses as to why the church is not walking in victory. Jesus said, "I will build my church and the gates of Hell will not prevail." (Matthew 16:18) Hell cannot stop the Church!

Be the Revolution!

Be the first generation to see everyone receive a clear presentation of the Gospel.

Be the first generation to live completely sold out in your obedience to Christ.

Be the first generation to see revival sweep through all of America.

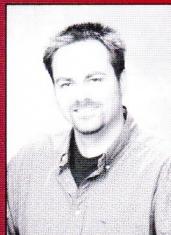

Be the first generation to risk everything for the cause of Christ.

Be the Revolution!

Many are lost, dying and without hope. We are alive in Christ and without excuse. Break the silence, announce to those around you that there is a Savior who loves them and desires to set them free from the bondage of sin.

Our Fall Convention marks the end of the 40 Day Revolution. Come ready to experience the passion and presence of our God. Come ready to receive an outpouring of the Holy Spirit on your life. No more excuses as to why we love Jesus. No more excuses as to why our lives are different. We are Without Excuse!
