# FINE ARTS FESTIVAL RULES

## CONDUCT

1. **Participants** - Fine Arts participants must attend orientation. It is very important that each participant be present at the time his or her name is called. Those who are late will need to visit the check in desk and get an excused pass as soon as they are able after their previous competition. The pass will need to be given to the head judge in the room they are needing to compete in. Remember to treat others as you would like to be treated when you are sharing your ministry. Please keep noise and movement to a minimum. Do not leave or enter any rooms while they are sharing their talent.
2. **Spectators** - It is also important that spectators keep noise and movement to a minimum. For many of our youth, this is a first time experience. They do not need distractions. Do not leave or enter the rooms while they are sharing their talent.

## COMPETITION

The official rules provided by the Assemblies of God Youth Department will be used for the Fine Arts competition. Three qualified judges have been selected for each category of the Fine Arts Festival. All judging will be done on the national official judging score sheets. Score sheets will be handed to each participant at the awards ceremony, but can be mailed if you are not present. The Awards Ceremony will be at approximately 4 PM today in the sanctuary.

## CONCESSIONS

Snacks are available for purchase in the gymnasium area throughout the day. All profits will be put towards Speed the Light!! Food and beverages are not allowed in the performance rooms.
