We are happy to present our 1999 Bellevue Christian Center Directory!

I am amazed at the rapid turnover rate of this active church body. Military and other transfers make keeping up with faces and names quite a challenge.

As you look through the pages of this directory you will have the privilege of gazing upon the smiling faces of hundreds of fellow Christian believers who make this their church home. This directory is a great opportunity to get to know others in the family of God on a first name basis.

It is our desire to be a personal church, a place where Christ is exalted and people are loved. Our constant message therefore, "Welcome!"

Loving Christ and Serving You,
Pastor Gary Hoyt

HISTORY OF BELLEVUE CHRISTIAN CENTER

Three military families started the Church in the early 1970's. These families were joined by two others and pooled their resources to purchase an abandoned Lutheran church on Franklin Street in downtown Bellevue. After securing retired minister Charles Turner to preach on Sundays, the group officially began meeting at the Franklin Street location for services in October of 1971. Just a few months later, in March 1972, the church was officially recognized by the General Council of the Assemblies of God, and named itself Bellevue Assembly of God.

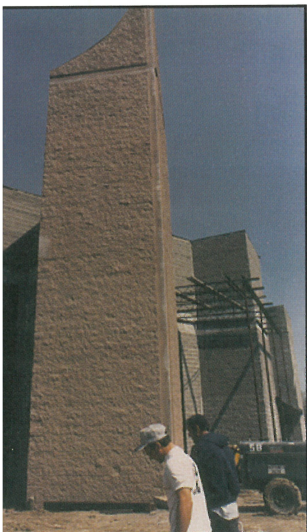

The Church began to grow almost immediately. In 1974, Christian Life Magazine recognized Bellevue Assembly of God as "Nebraska's fastest growing Sunday school." It was then determined that growth demanded hiring a full-time pastor.

In April of 1974, Sam Mayo became Senior Pastor of the church. Construction and expansion of the original building had marked the early days of this Church, and another construction program began with Pastor Mayo's arrival, urging the sanctuary to seat approximately 250. The church began to double services on Sunday mornings, and incorporated an afternoon Sunday school to accommodate the crowds.

In mid 1970's *Noah's Ark Child Care* and Preschool was established in the basement of the Church. BCA, a Christian elementary school, was also started which later grew into a state approved Kindergarten through 12th grade program. In 1976, the Church purchased 14 acres of prime land on the major "east-west" route in the city, and began another building program. In Fall 1977, the Franklin Street building was sold, and the congregation moved to the completed 28,000 square foot facility at 1400 Harvell Drive. Noah's Ark Child Care and Preschool was moved to the lower level of this building. Bellevue Christian Academy and High School purchased a vacant Catholic school in central Omaha to accommodate an enrollment of over 450 students.

Again, the church continued to grow, maintaining double services on Sunday mornings and renting a nearby junior high to make room for Sunday school and children's church. Construction of another facility, which would be completed in phases, began on the 14-acre property in the spring of 1984. This facility would initially be built on a "pay-as-we-go" basis, and would include approximately 90,000 square feet, with 25 classrooms, and a seating capacity of 2,500 adults.

In January of 1989, Pastor Sam Mayo transferred to a church in Rockford, Illinois, and Associate Pastor Gary Hoyt became the new Senior Pastor.

Under Pastor Hoyt's leadership, the congregation voted in Fall 1989 that it was time to accelerate the pace of the building project and seek financing to complete as much of the facility as possible. Up to this point, close to 1.5 million dollars worth of construction on the new sanctuary had been completed and paid for.

When the new sanctuary was ready for occupancy, the church body was finally able to return to one combined Sunday morning service. Pastor Hoyt brought together all the previous pastors for a great dedication celebration at our first service in the new facility in August 1991. Today, under Pastor Hoyt's direction, the church focuses its efforts on *Gathering Believers*, *Reaching the Lost*, *Discipling the Found*, and *Meeting the Needs*.

Chuck Fredrick is a part of the greeters ministry. A warm handshake and a smile lets those who attend BCC know that they are cared for the moment they set foot in the door!

Floyd Rose and Mick Kessler are busy landscaping the area around the new tunnel entrance to BBC.

Steve Charles helps by caring for the child of a visitor at Feed the Multitudes.
